PERSONAL INFORMATION

Ambitious and motivated, always passionate about computer, graphic and web design. Creative and open mind. Sharp and obsessive attention to detail and interest in latest design trends. Ability to work well in team, but independent and confident in pursuing own initiative within a given direction. Expert Wordpress, Woocommerce and Bootstrap developer, always looking for new challenges and to learn new skills. Good demonstrable knowledge of UI, UX and SEO. Some working knowledge of Javascript and its library. I enjoy writing and even published a novel in 2013.

- Adobe creative suite;
- Wordpress and Woocommerce;
- Advanced custom Field for Wordpress;
- Html5, Css3, Php, Bootstrap
- Javascript;
- Phpmyadmin, Sql;
- Cpanel and WHM;
- Digital marketing - Google certified

WORK HISTORY

May2015 – Present day – **WEB DESIGNER/DEVELOPER C/O Future Health Technologies Ltd.**

I started with this company as assistant Web Designer working alongside the Developer and the Marketing manager. When the opportunity arose i took on my current role as Web Developer. Managing on daily bases WordPress company's websites all around the world and improving them with new pages and services.

My daily job consists in developing new pages based on the requests of the different markets and on the design approved by the Marketing Manager.

All pages are built from scratch with HTML, CSS, PHP and Advance Custom Field Plug-in, and where necessary any kind of interaction JavaScript.

All the pages are 100% responsive and SEO optimized.

• futurehealthbiobank.com • bio-dock.com
